

## Demand Our Fair Share forum in Lismore

Unions NSW will be hosting a *Demand Our Fair Share* forum in Lismore next week.

We would like you to join us at this event. The PSA's Assistant General Secretary, Troy Wright, will address the meeting to highlight the issues that matter most to our members.

- » **Where:** Lismore City Bowls, Spinks Park, Lismore
- » **Date:** Tuesday 27 November 2018
- » **Time:** 6pm-9pm

**For too long** regional NSW has been ignored by the NSW Government. We have seen cuts to essential public services and privatisations which have led to an increase in the cost of living and job cuts across the state.

We believe that the North Coast needs more high-quality, well-paid, secure jobs. It's time to come together as a community and demand the investment in jobs and services to make the North Coast economy strong.

Please come along and hear from the locals who provide these services and have your say about the future of your community.
