

Does your school have a Psychologist or Business Manager?

Did you know that School Psychologists and Business Managers can be PSA members?

There have been a lot of changes and new roles in schools over the last few years including the introduction of School Psychologists and Business Managers.

It's more important than ever to be a member of your union so why not talk to your School Psychologist or Business Manager about joining the PSA?

Forward them this email and let them know they can join easily online [HERE](#).

PSA is there for all members

The PSA advocates for members of all employment types and will fight for secure, ongoing work for everyone. We know that many staff in schools have been on temporary contracts for some time and we are working on ways to address this in the future.

Two easy things you can do to support your union:

1. Assist the work of the PSA and delegates by asking your colleagues to [JOIN](#).
2. Download the PDF version of this bulletin and pin it up on your staff noticeboard.
3. If members you work with have not received this bulletin, forward it to them so they can update their details at:
