

Where are you?

Over the last few years there have been many changes at Family and Community Services.

PSA Organisers have been visiting FACS workplaces right across the state including FACS Offices, Community Services Centres, Housing Offices, Land and Housing Corp., Youth NSW and Women NSW to meet you all. However, some of our records are a little out of date due to all of these organisational changes and movement to new locations.

Here's what we need you to do:

1. Let us know where you are. If you have moved or changed jobs in the past 12 months please update your details with the PSA. You can do this: online **HERE**, by calling our Member Support Centre on 1300 772 679, or by sending current signature block to FACSOrganising@psa.asn.au.
2. Request a visit at your workplace to have a meeting. Email FACSOrganising@psa.asn.au or call our Member Support Centre.

There are lots of changes in your department, so it's more important than ever to be united and union proud!

Do you work with someone that hasn't joined yet? Get them to sign up **HERE**.

A union workplace is a fairer workplace.
