

Call to arms: Retired Associates urged to join the fight

Thank you for your continued support of the PSA/CPSU NSW as a Retired Associate. Attached is your association's 2017-18 Annual Report.

As you are no doubt aware, this year the people of NSW face one of the most important elections in our state's history. We are fighting to ensure our members are not subjected to more of the past eight years of privatisations, unjustified wage restraint and outsourcing.

Retired Associates will be among people on the ground leading up to polling day, campaigning for an end to privatisations and a return to the respect the public sector was once held.

Any Retired Associates interested in volunteering to Save the State should contact the PSA/CPSU NSW on 1300 772 679.

Want to do more? Members are also encouraged to attend meeting of the Retired Associates. Meetings run from 10.30am to 1.00pm. Dates are listed below.
