

ECE Member Survey: We need you!

Your membership matters! The more active members we have in the Early Childhood Education Directorate the more power we have to get better outcomes at work. Following our member meeting in Parramatta, we have developed a survey to canvas the scale of the issues discussed in the meeting. This is also an opportunity for you to let us know of anything that's not yet on our radar.

You can fill the survey out [HERE](#).

Please encourage your colleagues to fill it out, and if they're not members yet encourage them to [JOIN](#). The more members we have in ECE, the more power we have to protect your rights and entitlements at work and allow you to get on with your work in a safe and positive environment.

Want to get more active in your union? Email your PSA organiser Mary Jo at mcostache@psa.asn.au

Members are reminded to contact our Member Support Centre on **1300 772 679** for individual matters.

Don't let this opportunity to speak up get away, [fill the survey out today](#). It only takes eight minutes!
