

## PSA Union Meeting – Call for Agenda Items

Your next union meeting will be on  
**Tuesday, 7 May 2019.**

Put it in your diary now:

Level 8 Conference Room

**12:30 – 1:30pm**

If you would like to add items for discussion at the union meeting, please contact your delegate or email: [education@psa.asn.au](mailto:education@psa.asn.au)

We want to make sure all members' voices are heard and that your union is representing your interests. Your union meetings inform what issues we raise at Joint Consultative Committee meetings, so we need to hear from you.

To protect our remaining workplace entitlements, we need an active, strong union. Your union's seat at the table is a hard fought and won entitlement that is the result of an active, informed union membership.

A strong union means better outcomes.

Looking forward to seeing you all then.
