

## POVB update

At present there is a high number of disciplinary matters taking place for our members. We have two PSA staff who assist members with disciplinary matters, those being:

- » David McCauley – Industrial Officer PSA/POVB  
[dmccauley@psa.asn.au](mailto:dmccauley@psa.asn.au)  
0419 022 767
- » David Bartle - Industrial Officer PSA/POVB  
[dbartle@psa.asn.au](mailto:dbartle@psa.asn.au)  
0418 425 976

The POVB Executive's message to all members is that as soon as you have been served paperwork in regards to a disciplinary matter, then you are to scan the paperwork and send it to the above email addresses. Members are to also supply their contact details and any other paperwork that you may have already submitted in regards to the incident/issue.

Do not submit any other paperwork to management until you have discussed the matter with either Davids or a member of the POVB Executive.
