Earlier this year the newly elected State Liberal Government announced major changes to the NSW Public Service. These changes are effected through ‘Machinery of Government’ (MoG). The PSA was quick to seek regular consultation about these changes and a fortnightly MoG meeting has been instituted. You can read the last bulletin around the MoG changes [HERE](#).

As stated in our last bulletin, the PSA has asked that a separate “Revenue Transformation Consultative Committee” be formed, which Customer Service/DFSI agreed to. Those meetings have not yet begun however they are expected to begin consultation shortly.

In the meantime, the PSA understands that members have questions about the upcoming changes, as well as general concerns around the Government’s announcement that they would be cutting 2500 jobs from the Public Service.

As such a Brown Bag Skype meeting has been organised for next Wednesday 3 July, 12:30pm, Lang-Conference-Centre-L3.

PSA Industrial Manager, Nathan Bradshaw, will be in attendance to provide updates on the above and any other information which comes to hand on the Revenue Transformation.

The PSA is YOUR Union and we are STRONGER TOGETHER.
