

IMPORTANT: Did You Miss the PSA Pay Equity Package Livestream?

For those of you who didn't get onto the livestream yesterday the broadcast gave details of the package that has been offered to SAS Staff.

We have also sent all members as at mid-day 3 September 2019 an email outlining the package and a link to vote.

You can watch the broadcast again [HERE](#)

Members can read the bulletin [HERE](#)

You can also find the details given in the broadcast by our Barrister David Chin [HERE](#)

We are collating common questions and will be releasing a Q&A document tomorrow. Remember that you do not need to vote until **5pm 11 September 2019**.

This will give you time to read all the documentation necessary prior to voting.

Know someone that hasn't joined yet? Now is the time!

This package is evidence of what a strong union can do. You as a member were a part of that!

Now is the time for all SAS Staff to join so that we can keep fighting on the issues that affect our members including staffing ratios, violence in schools and permanency.

Forward this email to your colleagues and encourage them to JOIN today so they can be part of the next big win for SAS Staff!

Member before Tuesday and didn't get the voting email?

There are a number of reasons why this could have happened. You may have unsubscribed to

PSA emails previously, not provided us with an email address when you joined, the email has gone to your junk folder or there has been an error when your email was input into the database.

Contact schools@psa.asn.au and we will forward you your member number and the bulletin so you can vote.
