NSW Police Mounted Police Grooms – Industrial bans lifted

Members placed bans on non-core duties on Monday 18 November in support of a pay claim. After discussions with NSW Police Force and members, it has been agreed to lift the bans from close of business today, Tuesday 19 November 2019. NSW Police has offered to meet with the PSA and Grooms to discuss the dispute. The meeting is tentatively scheduled for next Monday 25 November 2019.

Members are accordingly directed to resume normal duties from 6am, tomorrow, Wednesday 20 November 2019.

The union congratulates all members on showing your determination to achieve fair pay by implementing these bans.
