

BIRTHS, DEATHS AND MARRIAGES – Transition to Department of Customer Services

The PSA was advised on Wednesday 18 December that BDM's transition to Department of Customer Services will be finalised by 3 February, 2019.

Whilst the PSA was contacted to enter into consultation members are advised that there has been NO consultation with the PSA whatsoever. Further, the PSA notes that the period for feedback closes on Tuesday 7 January.

The main issues of note are the Flexible Working Hours Agreement and the move over to the SAP Payroll/Records Management system, which is administered by GovConnect.

Members are justified in having concerns due to the continuing failures from GovConnect, but the PSA will seek that all staff information is double and triple checked when moving systems. Members should take a screenshot of their leave balances at their earliest opportunity.

The best place to go for information initially is your local PSA delegate. To raise any issues directly with the PSA please email membersupport@psa.asn.au with **Call 126018** in the subject line.

Place this bulletin on noticeboards and in your tearoom. Speak to non-members about joining the PSA – safeguard your rights and entitlements at work.

PSA Member Support Centre: 1300 772679.
