

## Tell us where you are

### Have you told us where you are yet?

- Settled in to a new work location?
- Moved house or have a new mobile number?
- Changed your email address?

Then it's time to update your details with your union, the PSA.

### Three easy ways to update your details

1. Go online and LOG IN to the [members-only area](#). Once you've logged in you can update your details including work location, home address and contact details. This is the best way to ensure all your details are correct as you can review all of them yourself.
2. Contact the membership department by email. You can update your details by sending them through to [membership@psa.asn.au](mailto:membership@psa.asn.au).
3. Call us and update your details over the phone. You can contact our membership department on 1300 772 679. Choose option 1 to speak to someone in the membership section.

### Do you have any new starters in your team or branch?

It's more important than ever to be a member of your union. Union membership is the only way you can ensure you get a say in your workplace and be part of a collective effort to improve your rights at work.

This is a good time to join your union and protect yourself and the people you care about.

Forward this email to any new starters in your team so they can find out more about the PSA, the union for all staff employed under the *Crown Employees (Public Service Conditions of Employment) Reviewed Award 2009*. They can join the PSA [HERE](#).

We also cover temps, agency staff and contractors, so why not join up today and come along to our union meetings.
