Dear Mr Little

I am writing to advise you of my intention to formalise two organisation unit changes within the Crown Solicitor's Office;

1. The Information Management & Technology organisation unit by merging the Information Services and Information & Technology teams as part of my commitment to the Service Improvement and Office Modernisation Program. The change will have no impact on the staff apart from a change in reporting line for the Manager Information Services now reporting to the Director Information Management & Technology.
2. The split of Criminal Law Practice Group into two practice groups; (1) Public Safety and Justice and (2) Regulatory and Environment. The proposed change will allow the management workload in the Division to be rebalanced and spread across the team with an additional director role overseeing one of the teams. The change will have no impact on staff apart from changes in reporting and allow flexibility for staff to work on some matters allocated in other teams within in the Division in accordance with business needs and for the purpose of staff development.

The CSO will report on the finalisation of the change at the next JCC Forum, consistent with the consultative arrangements policy and guidelines.

Should you require further information, please contact Pat Imbert, Senior HR Business Partner on (02) 9474 9042.

Yours faithfully

for Karen Smith  
**Crown Solicitor**
