Wages case: an update

The PSA was in conciliation yesterday afternoon in the Industrial Relations Commission with the State Government over our application for a 2.5 per cent pay increase. The matter did not resolve in conciliation.

Your union began negotiations for this increase in December 2019.

The position of the government remains no salary increase for public servants for 12 months.

There will be additional hearings next Wednesday and on 18 and 24 June in relation to the PSA awards.

An application has been made by the Government to join the PSA awards to other public sector union awards.

A hearing to determine this issue is listed on Wednesday 10 June 2020.

Members will be kept informed of any updates.
