

## PSA Briefing: DoE restructure and what it means for you

The PSA has previously written to you about the proposed realignment at the Department of Education. See the bulletin [HERE](#).

The Association has met with the Department to discuss these plans and establish consultation. We are holding meetings to update you on what discussions have taken place so far, what the DoE has raised with us, and to seek your input on what the PSA's next steps should be.

There are three briefings scheduled: register for the one that suits you best.
