

## Court Associates: Member update

During the Court Associates members' meeting on Wednesday, 29 July 2020, the following queries were raised:

### COVID – Special Leave

Under the NSW Government Circular C2020-01, if members are required to self-isolate they can either work from home or, if the Department is unable to set up working-from-home arrangements, they are to be put on Special Leave.

You can read the Circular [HERE](#).

### PSA Journey Insurance

The PSA has taken out a journey insurance policy for all its financial members in the wake of the State Government's slashing of workers compensation benefits in 2012. The PSA's journey insurance policy can provide salary compensation with weekly injury benefits – 85 per cent of salary up to \$2000 for up to 104 weeks if you are injured whilst actually engaged in direct travel to or from normal place of residence to or from your place of employment.

If you have any questions regarding or accessing Special Leave or Journey Insurance please call our Member Support Centre on 1300 772 679.

### Award

The PSA will be raising this matter during the JCC for Court Services next week and will update members.
