Register now: Important PSA briefing for School Psychologists

The PSA has scheduled a briefing for all School Psychologists to update you on what discussions the union has had with the Department of Education (DoE) about your workplace conditions, professional concerns and entitlements.

You may have received a communication about proposed changes the DoE wishes to implement in the School Counselling Service. The purpose of the briefing is to update you on this proposal and seek your input on what the PSA's next steps should be.

The meeting is open to all School Psychologists. Please ***share the registration details with your colleagues.***
