

Trustee and Guardian: Role Description changes

The PSA is aware that NSW TG have asked members for feedback in relation to changes to CSO grade 3-4 roles. The relevant documents can be found [HERE](#) and [HERE](#).

The PSA understands a number of members have sought an extension as the timeframe provided by NSW TG was only two days.

The PSA will be contacting NSW TG about the issue and its lack of recognition with regards to consultation.

Any feedback members have on the changes to the role descriptions can be sent to your PSA staff. The PSA will then put member responses to management. Individual members will not be identified as part of this process.
