

Have your say: What do you want from your employer in regards to WFH survey 2020

Complete our **What do you want from your employer in regards to WFH survey**, and tell us what you want at work.

After our members' meeting on 22 June, concerns were raised about working from home, workload disparity and discrepancies in the types of assignments and tasks allocated. You can complete the survey at www.surveymonkey.com/r/RSBsurvey2020.

We are asking members and non-members to tell us what matters to them in their workplaces, so we can campaign and represent you effectively. This is important.

Forward this survey on to your colleagues so they can have their say, too. The survey is open to members and non-members. You can join us at www.psa.asn.au/join.

We look forward to hearing from you.

In union,
Alex Sala
