Youth Justice Departmental Committee vacancy

As you would be aware, elections were recently run for DC delegates within Youth Justice and Frank Baxter had two delegates voted in, unfortunately one of those elected delegates has had to resign due to personal circumstances.

This has caused a vacancy and the position can now be fill as a casual vacancy which will need to be endorsed by the elected delegates.

If you are interested in filling this position, please contact your DC delegate Glen Harwood or PSA Industrial Officer, Gino DiCandilo.

This Committee is only as strong as its delegates. It is YOUR opportunity to be part of driving the union issues that matter to you and other members! The PSA provides support and training for all new members.

The Committee meets quarterly with PSA industrial staff, and then at the Joint Consultative Committee (JCC) with Youth Justice Management to discuss and progress collective issues.

If you would like more information don't hesitate to contact your local delegate Glen Harwood glen.harwood@justice.nsw.gov.au or your PSA Industrial staff Gino DiCandilo gdicandilo@psa.asn.au or Latu Sailosi lsailosi@psa.asn.au
