This year, the PSA has become a growing and effective force at the Workers Compensation Commission, despite the challenges COVID-19 has raised and the ongoing complications over the current restructure and the Personal Injury Commission.

As a collective, we now have an opportunity to build a strong foundation to tackle the issues we face through the election of a Workplace Group Committee.

At this AGM, the following positions on WCC's Workplace Group will become available:

- Chair
- Secretary
- Delegate
- Women's Contact Officer

As per the PSA's Rules, nominations will be called for from the floor at the AGM. If there is more than one nomination for any position, a ballot will be held.

If you would like to nominate for a position, it is recommended that you contact your Organiser, Harry Wall on 0418 236 867 or hwall@psa.asn.au to hear more about the role.

If you believe in the benefits of working together and share our values of decency, fairness and equality, then the PSA strongly encourages you to step-up and get involved.

We look forward to seeing you at the AGM.
