

## Stakeholder Engagement and Community Education Realignment – consultation

The PSA has been informed of a realignment to the Stakeholder Engagement and Community Education Realignment business unit. At this time, the proposed conclusion of the consultation period is for this Friday 15 January 2021. However, the PSA is seeking an extension through to Friday 22 January 2021 to allow for more appropriate consultation.

The Department has provided the PSA with the information packs that have been presented to staff as part of their internal briefings on the proposed changes.

If members have any specific questions or concerns in respect to the proposed changes that they would like the PSA to raise with the Department they can email them to [svanvegchel@psa.asn.au](mailto:svanvegchel@psa.asn.au).
