

SPC restructure: You are invited to attend an online meeting with your union

The PSA will be holding online meetings to discuss the latest updates regarding the Strategy Policy and Commissioning reform.

Read our previous bulletins on the SPC Restructure [HERE](#) and [HERE](#).

In these meetings we will provide an update on all the information we have on the SPC restructure, including updates from the Industrial Relations Commission. We will also have a Q&A section where you can raise any issues/concerns and ask questions about the reform.

We are looking forward to seeing you in one of these sessions.

Please note that the Department has authorised your attendance at these meetings during work time; there is no need to apply for leave to attend.
