

## Reminder: Please complete the Working at Home survey

Thank you to all the PSA Ombudsman NSW members who have completed the Working at Home policy survey.

The PSA wants to hear your views on your experience working from home. We want to understand your experience of the Working at Home policy in your area of the office.

If you are yet to do so, please complete the PSA Ombudsman NSW Working at Home Survey. It is anonymous, and will take a few minutes.

You can complete the survey [HERE](#).

Your views will inform future discussions and help us advocate for PSA members.

We encourage PSA members to share the survey among your colleagues. We want all Ombudsman NSW employees to know the PSA is your union – we are here to represent your interests.

The survey will close on March 31 2021.
