

## Goulburn Correctional Centre: Industrial action

Approximately 244 of our members have received letters alleging misconduct for failing to return to work after being directed by the IRC and Commissioner to return.

The PSA/POVB is meeting and developing a strategy to respond on the behalf of all of our affected members. Due to the large number of affected officers, we have sought and obtained a further two-week extension, meaning our response needs to be submitted within four weeks of when you received your letter.

This allegation is based on collective actions taken by our members. The POVB industrial team, under the advice of the PSA legal team, will develop a standard response for all of those involved.

So far the PSA has received 202 letters. If you have not sent your letter to the PSA, please forward them on to Industrial Officers David McCauley at [dmccauley@psa.asn.au](mailto:dmccauley@psa.asn.au) and David Bartle at [dbartle@psa.asn.au](mailto:dbartle@psa.asn.au).
