

Would you like a better understanding of your Flexible Working Hours Agreement and Employment Award?

The PSA invites you to attend a Lunch and Learn on your employment conditions

Over the past year the PSA has been contacted by many members with concerns about inconsistencies accessing the Flexible Working Hours Agreement and Award conditions they are employed under.

The PSA will be delivering a Lunch and Learn training session to give staff a better understanding of their hard-won entitlements to Flexible Working Hours and the Award that sets out their working conditions.

If you have questions or would like to better understand the Award and Flex Agreement that applies to you as Department of Education employees we encourage you to come along and learn more!

We will be running a series of these events for different areas of the Department of Education in the upcoming months. The first of these is available for PSA members at Eveleigh ITD and Newcastle office.
