This is your opportunity to influence how issues in Community Corrections are progressed on behalf of members!

Unions such as the PSA rely on active members and delegates to maintain adequate representation in workplaces and ensure information flows effectively between members in workplaces and PSA Industrial staff.

Delegates are the union's eyes and ears in the workplace and it's critical that these roles provide that communication flow.

The PSA strongly encourages members from relevant offices to nominate and become the delegate representative for the above vacant electorates.

If you have ever thought about getting more involved in your union, now is the time!
