

## Workload Agreement dispute update with the Assistant General Secretary

The PSA Assistant General Secretary, Troy Wright, will be addressing all staff within the ODPP regarding the current workload dispute between the PSA and the ODPP on 30 June, between 4:45pm-5:15pm.

The PSA has invested heavily in this dispute, engaging solicitors and counsel to represent members in the matter. However, ultimately, strong membership on the ground is the only way to ensure a good result: Encourage your colleagues to join, or if they have questions or want to know more about this dispute, including how we will be proceeding in the future, encourage them to attend the meeting.

Troy's address will be followed up with office-by-office members' meetings. This is your chance to work together to achieve results within the ODPP.
