

## **Londonderry calling**

Your union would like to meet with you to discuss concerns and opportunities for PSA members.

We would also like to introduce your new Industrial Officer Phoebe Dangerfield and Organiser Amy Lennox.

As there is WH&S training on site all next week and no rooms are available, we will be holding a TEAMS meeting for members at the Londonderry TestSafe site.

The meeting will run on Thursday 10 June 12:00pm-2:00pm

Members are encouraged to come in and out of the meeting at times convenient to them. Please also feel free to invite colleagues who are not yet members to attend.
