## PSA: We Are Here For You, Always

The last year has been one of the most unusual and difficult for members working in schools.

The PSA has been working with your delegates to identify and resolve workplace issues, support individual members on a case by case basis and continue to work for you throughout this new outbreak.

Most recently the PSA has met with the Department of Education Secretary to be briefed on term 3 arrangements.

Did you see our bulletin about term 3 arrangements sent late last week? Read it [HERE](#)

### We want to hear from you – take the 3 minute PSA survey

The PSA would like to hear from a wide range of members working in schools including Psychologists, Learning Support Officers, General/Farm Assistant and the thousands of Administrative Staff that are central to the school community.

This survey will only take you three minutes to complete and will give the PSA a better understanding of the work arrangements at your school.

This survey will only be open for one week and will close at 4.30pm on Monday 19 July 2021.
