If the NSW Government continues to deny PSA members fair and reasonable wage increases and access to fair and reasonable workplace laws, this meeting endorses statewide industrial action. This to be determined by PSA Departmental, Vocational, Advisory and Workplace Committees and endorsed and coordinated by the PSA Executive and Central Council.

This unfair wages policy needs to go. The NSW Government must increase wages by a minimum of 5.2 per cent for all Public Sector workers, with any increase to superannuation paid on top of that.
