Dear Ms Wilson,

I refer negotiations for the *Transport for New South Wales and Sydney Metro Salaries and Conditions Award 2022* ('Award') in respect of provisions for the Transport Operation Controllers. Specifically, clause 34.3(e) of the Award and the development of local arrangements pursuant to clause 10 of the Award to address claims relating to roster development.

The Public Service Association of NSW ('PSA') seeks to initiate consultation and negotiation for the development of local arrangements that will contain rostering principles which will give effect to fatigue principles and address rostering more broadly.

The PSA requests an initial meeting to take place the week of 5 September 2022.

If you would like to discuss this further, please do not hesitate to contact me on 0408 213 339.

Yours faithfully,

Jessica Moore  
for **Stewart Little**  
**General Secretary**
