

**PERMANANCY:
THE WAIT
IS OVER!**

PSA WIN

There is power in a union. After years of campaigning, the PSA has won secure jobs for thousands of our members in schools.

How we did it!

We know too many members in schools are in insecure positions. So before the NSW state election, the PSA lobbied the NSW Government and Opposition, demanding the party leaders commit to giving long-term temporary members in schools secure ongoing roles.

Our campaigning worked

No matter who would win the election, both the Government and the Opposition had committed to end insecure roles for thousands of staff in NSW schools.

What next?

The PSA is pushing the Minns Government to offer permanency to any of our members with three years' continuous service with the NSW Department of Education.

If you think you are eligible for an offer of permanency but have not received an offer from the Department, ask your Principal why you have not made the list of eligible staff. Alternatively, visit www.psa.asn.au/permanency and follow the links.

PSA members will be provided with the relevant information and support.

Any problems?

PSA members who need additional support should contact the PSA Member Support Centre on 1800 772 679.

The PSA will work to have all eligible members transitioned to permanency

Remember, the PSA will only assist you if you are a member. If you're not a PSA member, you should join online at www.psa.asn.au/welcome.

Please share this information with your work colleagues.
