Subject: Caseworker Development Program - we would love your feedback

Dear colleagues

Have you become a caseworker or managed a new caseworker in the last two years?

If yes, the Office of the Senior Practitioner (OSP) would love to hear from you to inform our Caseworker Development Program (CDP) Evaluation.

Please tell us what you think

- **Caseworkers:** we want to hear about your experiences of CDP and how you have put your lessons into practice. Please complete this short ten-minute [caseworker survey](#)
- **Managers casework:** we want to hear about your experience of supporting new caseworkers to complete CDP. Please complete this short ten-minute [manager casework survey](#)
- **Managers client service:** we want to hear about your experience leading managers and caseworkers during and after CDP. Please complete this short ten-minute [manger client service survey](#)

Win a ticket to the DCJ Practice Conference

If you complete the survey, you will go in the draw to win a spot at the DCJ Practice Conference in November.

Please help us improve the program

Your voice will help us understand what worked, what didn't and how we can better support, engage and help retain new caseworkers. As well as prepare caseworkers to be at their best for children and families.

All responses will be anonymous, so don't be shy to tell us what you think. The surveys will remain open until Friday, October 6 2023.

Please contact [@Catherine Esposito](#), Manager Practice Research with any questions.

Don't miss this opportunity to give the OSP your feedback – we value your perspectives.

With thanks,
