

EMERGENCY AMBULANCE COVER

EMERGENCY AMBULANCE COVER

Emergency ambulance cover for all PSA CPSU NSW members and their families

In uncertain times, it is good to know your union has your back.

The PSA CPSU NSW provides free ambulance cover for its members and their immediate families.

If a medical emergency arises, a member or an eligible member of their direct family will receive ambulance transport to the nearest available hospital equipped to deal with their condition, all without the nasty bill at the end.

Ambulance cover is for eligible members of the PSA CPSU NSW who have no other access to coverage through private health insurance or other bodies.

To make a claim please complete the Emergency Ambulance Claim Form, the Statutory Declaration and submit with a copy of the Ambulance NSW Invoice.

Emergency ambulance cover is just one of the benefits of PSA CPSU NSW membership.

Our members also have free journey insurance for travelling to and from work, free personal injury insurance, family insurance for \$11 per year for the whole household, and a host of shopping discounts.
