

The President  
Parents and Citizens Association

Dear Madam/Sir

**Celebration of PSA Schools Recognition Week 1 to 5 September 2025 – Delivering Excellence in Schools!**

Each year the Public Service Association (PSA) encourages the school community to celebrate the contribution of school support staff to the success of the school and to all students' education.

Whether they work in the office, the library, the school grounds, supporting the wellbeing of students or in the classroom, all school support staff have played an important role in their school communities. For many schools these staff are the heart of that community, connecting with and supporting everyone.

That is why this year's theme for PSA Schools Recognition Week is – **Delivering Excellence in Schools.**

PSA Schools Recognition Week is an opportunity to show the appreciation of the school community and we would ask you to show your support in organising or participating in:

- A morning tea or lunch
- Thanking all Support Staff in the P&C newsletter for their contributions
- Organising thank you letters or photos from students that can be displayed on the website or social media
- Sending a bunch of flowers to the office to say thank you.

The PSA urges you to support PSA Schools Recognition Week, celebrate your staff and recognise their work, professionalism, contributions, and dedication to the school community.

Yours sincerely,

Stewart Little  
General Secretary  
August 2025
