27 August 2020

Cobham Youth Justice Centre Workplace Group AGM

Official notice was given for the Cobham Workplace Group AGM on 28 July 2020 and all positons were declared vacant and nominations closed 5:00pm 11 August 2020.

Nominations called for three Executive positions and a number of activist/contacts to represent the different lines, units, shifts and roles.

A ballot was required for the Vice Chair, as two nominations were received. This ballot has now concluded and the results are:

- Chair – Jason Hedley
- Vice Chair – Jason Turner
- Secretary – Amy Robinson
- Line delegate/s – Fiona Ward, Sam Faaloua

There are still some line delegate vacancies that need to be filled so please consider nominating. Workplace delegates are the lifeblood of your union. You are the voice of your workplace, and you will work directly with your Organiser and Industrial Officer to advocate for your colleagues at Cobham YJC. Elected delegates will be provided with training and support from PSA staff. Elected delegates also have additional protection under the Award.

Unity is strength. It is essential we are united and strong to continue protecting your rights and entitlements at work. Unionised workplaces are better workplaces.

If you are interested in becoming a delegate/activist or contact, please email your industrial staff.
