Environment Protection Authority - Important PSA Meeting - Wednesday 30th September, 1pm - 2pm

The PSA will be holding an important members' meeting on **Wednesday 30th September** at **1pm until 2pm**. There are two important issues to be discussed at this meeting.

The first will be a report back from the EPA Joint Consultative Committee (JCC), which will be held on Monday 28th September. The JCC is where the PSA and your elected delegates meet with the EPA to discuss issues of ongoing concern.

The second issue will be the election for the EPA Departmental Committee (DC). DC's are a vital part of how the PSA functions and represents the membership. If you are interested in becoming more involved in the PSA, please do not hesitate to contact your organiser Chris Bird at cbird@psa.asn.au. Chris will be able to guide you on how to start becoming more active in the PSA as well as connecting you with experienced EPA PSA members.

The meeting will be held on Microsoft Teams and the link can be found below.
