Legal Aid – Grants Open Plan Office survey

Members have expressed that their concerns about the open plan office proposal have been ignored by Legal Aid management. This reflects the poor attitude Legal Aid have towards consultation, Legal Aid having cancelled the last three Peak Consultative Committee meetings with the PSA.

This is your chance to have your say, by completing the attached survey regarding the changes being made in the Grants Division of Legal Aid.

All answers are strictly confidential and your details will not be shared with management.

The link to the survey is **HERE** and the survey closes on 31 January 2019.
