

Mental Health Conference 2018 – Thank you and feedback survey

I just wanted to thank you for participating in the PSA/CPSU NSW's first Mental Health Training Conference.

I found the speakers illuminating and hope we have convinced our employers to start delivering tailor-made mental health strategies after consultation with the workforce.

Please find [HERE](#) a survey for your feedback to the conference. I would appreciate if you could take a few minutes to fill the survey so we can tackle these issues effectively into the future.

Please note that several of the speakers' presentations will be posted on our website once they are published.

Yours in unity,

Stewart Little
General Secretary
