Sydney Olympic Park Authority Members' Bulletin

Welcome back to work and a busy 2019. This will be a big year for the SOPA and, as a PSA member, you can be confident your union will be supporting you with regard to all the issues and changes that may present during the year.

PSA membership

Do you have any new starters in your team, branch or the SOPA in general? Members should be aware that your union does attend the induction sessions for new staff at SOPA, but it would great if you a PSA member could encourage non-members to join. New members can join **HERE** or email this bulletin to them and they can JOIN **HERE**.

The PSA covers all employees of SOPA and includes ongoing, temporary employees and agency staff, so why not encourage those new colleagues to join today and come to our regular PSA member meetings.

FIRST MEMBERS' MEETING FOR 2019

As you are aware the PSA has undertaken to hold regular members' meetings at SOAP. The first of these meetings was held on 29 November 2018. At that meeting three PSA Delegates were elected, these Delegates then attended the first SOPA Joint Consultative Committee with PSA Senior Industrial Officer Kerrie Butson. This meeting was held on Wednesday 5 December.

Your PSA Delegates are

- Rose Stirling
- Tony Nesbitt
- Nick Karahlis

The first members meeting for the year has been scheduled for

- TUESDAY 26 FEBRUARY 2019
  12 noon-1pm
  GUNGGUNG ROOM

A separate meeting notice will be sent to all members with time and location. We also want to hear from you, and if you have any agenda items please email Kerrie Butson, PSA Senior Industrial Officer, at kbutson@psa.asn.au or contact your PSA Delegate as listed above. We anticipate our members meetings will be scheduled for a week prior to the JCCs; this allows members the opportunity to have input into what should to discussed at JCCs

PSA/SOPA JOINT CONSULTATIVE CTTEE MEETING (JCC)

The first JCC for SOPA for the year is scheduled for:

- WEDNESDAY 6 MARCH 2019

Members will be able to discuss to be raised at the JCC at our members meeting. The Terms of Reference were agreed to at the last meeting and these will be endorsed at the scheduled meeting in March.
