Dear Minister Cotsis,

Re: Workforce Mobility Placement Program – Forestry Corporation NSW

I write to you on behalf of the Community and Public Sector Union (SPSF Group, NSW Branch) in relation to the establishment of the Great Koala National Park and its impact on employees of the Forestry Corporation of NSW (FCNSW). I note my colleague, Shane Howes, has raised this with your office.

I understand that some preliminary discussions have occurred with FCNSW and Minister Moriarty's office, however I am concerned that without a properly tailored workforce planning strategy, our members at FCNSW may be unable to fully access the benefits of the NSW Government's Workforce Mobility Placement Program, and I believe these issues fall correctly within the purview of your portfolio responsibilities.

To this end, I seek an urgent meeting with you to discuss workforce planning initiatives and other related administrative arrangements to support FCNSW employees mobility opportunities across the NSW public sector. In doing so, my focus is squarely on securing jobs for our members, and wherever possible minimising costly and avoidable redundancies. An approach I am confident the NSW Government would endorse.

I thank you for your attention to this matter. I can be contacted on 9220 0982 or 9220 0900 to arrange a convenient time to meet.

Yours sincerely,
